

Aluminum Frame Glass

Construction Options and Modifications

Aluminum frame glass doors feature clean sleek lines that complement any door style. Frames are brushed extruded aluminum. Combine a front or reverse frame and a glass style that offers the degree of content visibility you desire, from completely clear to totally obscure.

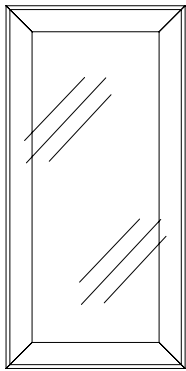

Aluminum frame glass is available in full overlay door styles, in sizes from 12" wide and up to 54" high

Glass inserts are ordered individually. Place quantity before order code. See examples for individual items

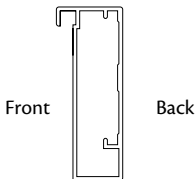

Material dimensions may be nominal based on lumber industry standards.

Specifications subject to change without notice.
